## CONTINUING EDUCATION

PAA is approved by the American Academy of Audiology and the International Institute of Hearing Instrument Studies to offer Academy CEUs for this activity. Approvals of this continuing education activity does not imply endorsement of course content, specific products, or clinical procedures.

Each year PAA strives to bring you a great team of talent at a reasonable price. This year's line up offers a total of 13.0 CEUs. In order to maintain your state license, don't forget to keep records of all your continuing education activities including this year's convention events.
