### Convention Highlights...

Brush up on your cerumen management skills and hear about techniques that you may not currently be using in your practice.

~

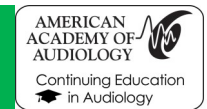

Appy Hour! Gain a better working knowledge of hearing technology apps from the representatives themselves!

~

Questioning the air-bone gap you routinely get at high frequency (4K Hz)? Learn why this is happening and what to do.

~

**Attention all preceptors:** Attend *Assessment & Feedback in Audiology Clinical Education* to earn your 2 hours of professional development (in the area of clinical instruction/supervision) required by ASHA as of January 2020!

The Pennsylvania Academy of Audiology is approved by the American Academy of Audiology to offer Academy CEUs for this activity. The program is worth a maximum of 1.2 CEUs / 0.3 Tier 1 CEUs. Academy approval of this continuing education activity is based on course content only and does not imply endorsement of course content, specific products, or clinical procedure, or adherence of the event to the Academy's Code of Ethics.

Any views that are presented are those of the presenter/CE Provider and not necessarily of the American Academy of Audiology.
